### Payment Options
For your convenience, Hawken School offers a variety of options for paying tuition and fees:

- **One Payment:** You may make one, up-front payment by August 15. With this option, families can elect not to purchase tuition refund insurance.

- **Two Payments:** If you would like to spread your payments out, 60% of your student’s tuition and fees will be billed on July 15 and is due August 15. An invoice for the remaining 40% of tuition and fees will be mailed to you December 15 and payment is due January 15.

- **Monthly Payments:** An alternative of making 10 monthly payments (May – February) is available through Smart Tuition.

### Tuition Refund Insurance:
The Finance Committee of the Board of Trustees requires parents to participate in a tuition refund insurance plan, which involves a premium cost to parents of approximately 0.70% of paid tuition and fees. Parents who pay the full year’s tuition & fees by August 15 may opt out of the tuition refund insurance program.
